

A Note from Coach Westhead

Our new staff is excited to get the season underway. Oregon Women's Basketball fans are going to love watching our up-tempo style of play. The team has been working hard in the off-season to learn the new offense and raise their fitness level to outrun our future opponents.

Even though we are new, we recognize the incredible value of the Fast Break Club to our program and to the community. Our staff sincerely appreciates the range of support the FBC provides our program, from cheering the team in victory or defeat to the financial contributions for endowed scholarships.

Thank you for providing fans with a unique opportunity to connect with our student-athletes. And conversely, thank you for helping us bond with the fantastic community of Eugene that is so supportive of our program.

GO DUCKS!

Paul Westhead
